**"Engagemang för  
andras utveckling"**

**"Engagement for the development of others"**  
*- Business Support*

**Blue Bioeconomy sectors**  
– seafood and marine biotechnology

# Building a Shared Vision "SiLLicon Valley"

*SiLLicon Valley is a national and internationally recognized environment for innovation, technology, business models, infrastructure and cooperation that promotes sustainable use of marine and aquatic resources.*

BBC Blue Vision  
Workshop  
8:e sept 2023

# SiLLicon Valley

Samarbeten med Norge

Tjärnö marinbiologiska laboratorium

Fiskekommunerna

Testbädd fiskuppfödning

Testbädd storskaligt vattenbruk

Sotenäs symbioscentrum

Biomarina företag

Viable Seas

Kristineberg center för marin forskning och innovation

Samverkan marin bioteknik

Testbädd marina restvaror (Orust)

RISE, IVL, GU, Chalmers, Marin FoU

Sjömatsfrämjandet / GBGs fiskauktion

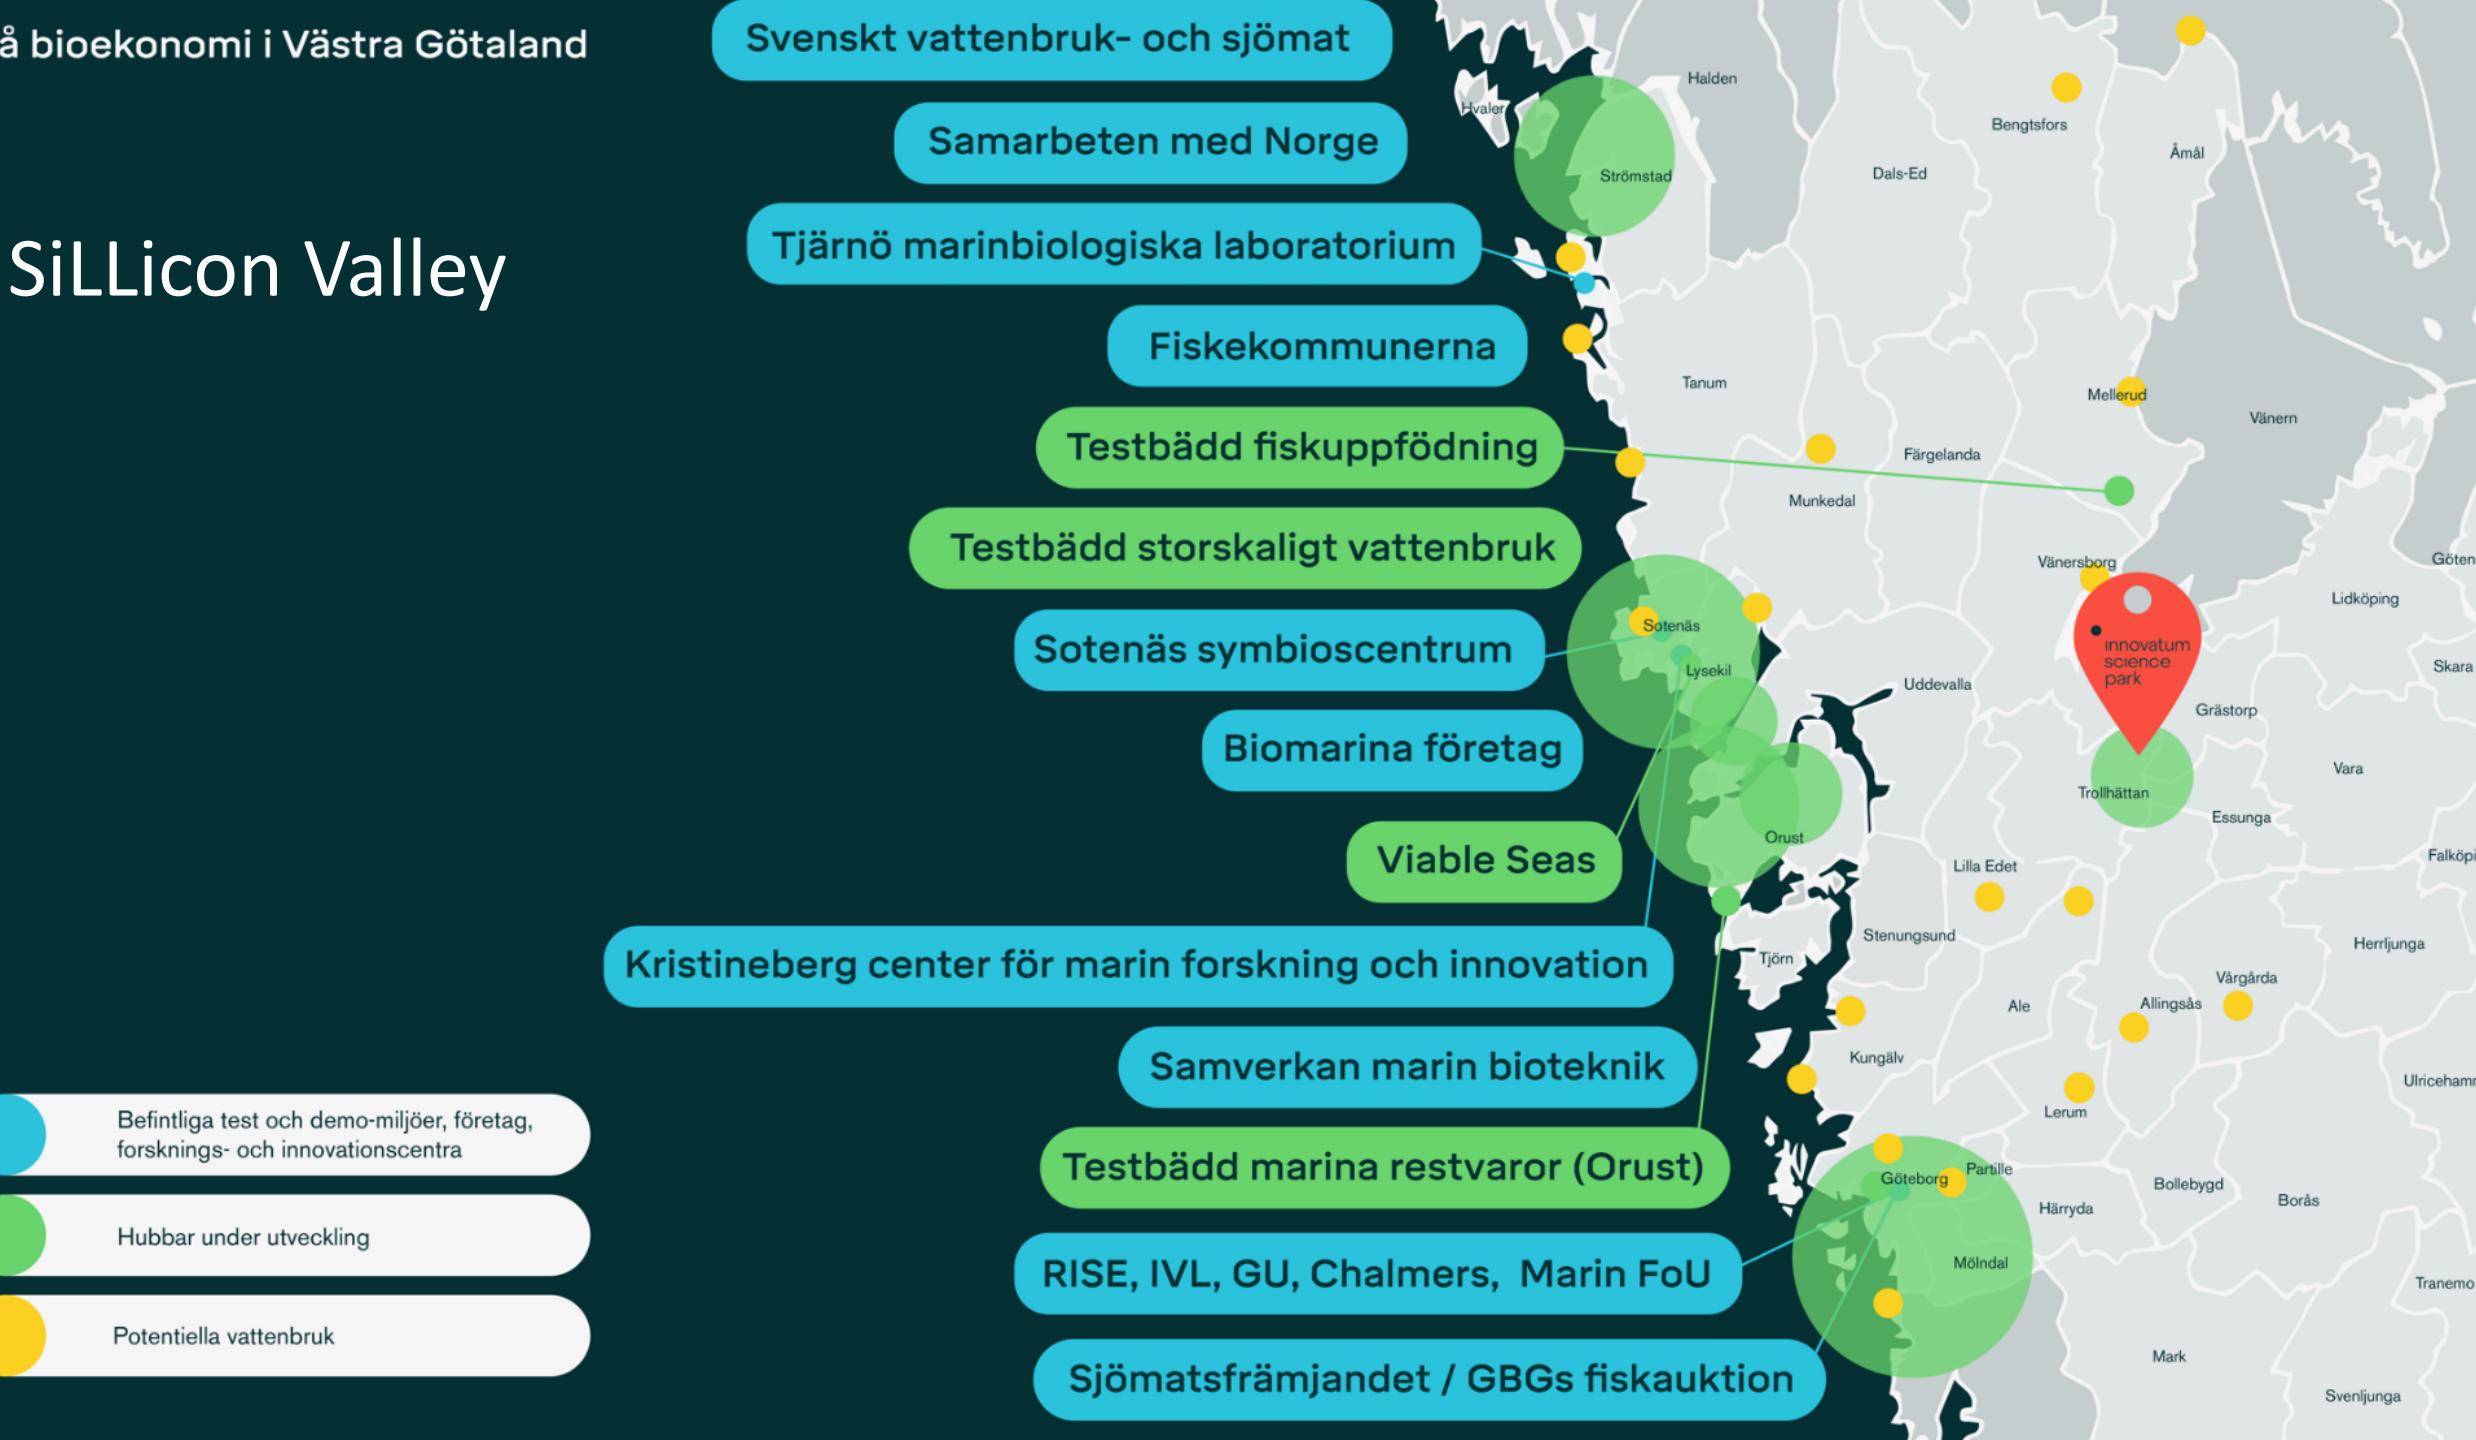

Befintliga test och demo-miljöer, företag, forsknings- och innovationscentra

Hubbar under utveckling

Potentiella vattenbruk

# Making SILLicon Valley a reality needs innovation support!

Business Networks  
COPs and  
"clusters" – B2B  
cooperation

Test & Demo –  
industry meets  
research  
onshore/offshore

Blue Innovation  
support actors  
"BIS" in  
collaboration

Startup & Blue  
Innovation support  
match-making

Meetings, exchanges & mentorship

Blue Bio Bootcamp May 2024

Creating meeting places for the seafood industry –  
collaboration, innovation and match-making in focus

# Challenges exist of course!

- Traditional industry meets new industry
- Regulatory hinders
- Low innovation
- Fragmented industry
- Research vs industry – some level of distrust

*Important to:*

*CREATE NEUTRAL ARENAS*

*FACILITATE DIALOG*

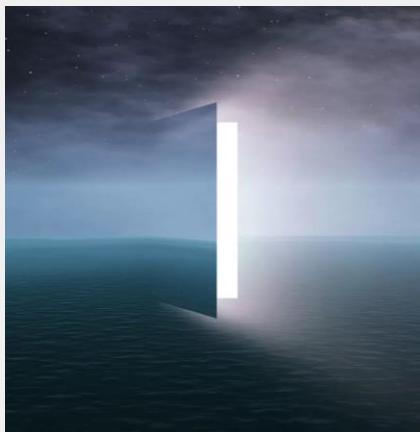

*DEVELOP TRUST "CAPITAL"*

# Important to engage in projects that promote collaboration, cooperation, networks, partnerships....

Blue Bio Clusters  
*ongoing*

HISS –  
Accelerating  
innovation  
processes in  
seafood sector  
*1.0 completed, 2.0 awaiting  
approval*

Blue Food 2.0!!  
*Approved, start  
2025*

Marefine  
*Biorefinery  
on-going '24-'28*
